

## **Member Appreciation Night / Bill Goggin New General Manager**

Dear Landings Members and Friends,

I am glad to be stepping forward as the new General Manager at the Landings Golf Club. I am fortunate to know most of our members and guests. If we have not met, let me say that I have been employed here since 1996. I worked at two other courses prior to coming to Warner Robins to work for the White Family.

I served the Landings as a PGA Assistant Golf Professional and have owned and operated the Golf Learning Center for the last eight years.

First of all let me say thanks to all our members who have continued to support the club through the changes we have encountered. We will get back to creating a "volume" business and not rely on a smaller number of members to pay higher fees. Cart fees, range balls, and some categories of dues will be reduced. Details will be provided in your November newsletter.

We will build a club and membership by providing a fair dues structure that most people can afford. We will offer friendly customer service, begin stocking the pro shop, and offer a large variety of well run tournaments. We already have a great golf course. Our restaurant offers reasonably priced food that golfers like.

I will need your help to grow our membership. Please keep in mind that our members will be receiving a month's free dues for each member that they sponsor. Corporate accounts will not apply. We will be hosting a **Member Appreciation Night** this Saturday the 24<sup>th</sup> from 5:00- 7:00. We will be offering complimentary beer and wine, hors'douvres, and drink specials. Please stop by and let us show you how much we appreciate your business. By all means, bring a guest at no charge. We still have some spots available for that day's Football Scramble at 12:00.

Hope to see you there!

Gratefully,

Bill Goggin
