Great way to meet new folks and play on a great course!

News from PGA Professional Bill Goggin

The golf course is in great shape right now. We are lowering the mowers to speed up the greens. Aerification is set for June 21st & 22nd.

Hey folks...consider playing in the **Lowe Toyota Event!** We will have six flights so that higher handicaps will be playing together. It is not very often that a corporation offers this amount of sponsorship money (\$2400). This will be a great weekend of golf. Your support is much appreciated.

Thanks for being patient with us as we host some corporate, charity, and RABF outings. This added revenue really helps the bottom line here at our course and it allows us to keep our fees low.

The **red tees have been changed** to orange but the yardages remain the same. We are going to "unisex tees" which allow golfers to play the right set of tees based on ability rather than age or gender.

The team of Jean Martin, Loretta VanHitch, and Bev Desilets finished 2nd in our Spring **Pro Lady**. Participation in the LLGA lady events has been awesome! Looking forward to some new faces to join in all the fun!

TRIVIA in June:
